4 Blended Organic fruits & Veggies

Moringa Oleifera, locally known as Malunggay, is a SUPERFOOD which improve the function of the immune system. It is also known to significantly lower blood pressure, improve digestion, protect the stomach lining and boost your energy level.

Acai Berry - many nutritionists call acai berry as the fruit's nutritional shining star, a powerful antioxidant, rich in fiber, essential fatty acids, vitamins and minerals, that help. The fiber in acai berry can help eliminate toxins from the body through the digestive tract. Antioxidants boost the immune system, which in turn has a positive effect on the health of all body systems. Acai berry also provides omega-3 fatty acids.

Mangosteen - this amazing tropical fruit, also known as "Queen of Fruits". The benefits of the mangosteen fruit are said to extend far beyond the nutritional value of the fruit alone. Like other fruits, the mangosteen features important nutrients such as vitamin C, fiber, potassium and even some biologically active compounds like Catechins and Proanthocyanidins. What sets it apart is the unique antioxidant content mostly found in pericarp, or rind. This unique antioxidant content is called xanthones in laboratory vitro study (test tube). mangosteen xanthones possess anti-cancer, anti-inflammatory, anticancer, antiaging, antiviral and antioxidant properties.

Barley - a nutritional powerhouse and a winner when it comes to good nutrition. A good source of dietary fiber. Like all plant foods, barley is naturally cholesterol free & low in fat. Rich in vitamins & minerals including Niacin (vit. B3) Thiamine (vit. B1), Selenium, Iron, Magnesium, Zinc, Phosphorus & copper. Barley contains antioxidants, which are also important for maintaining good health and it also contains phytochemicals which are natural plant based chemical that may decrease the risk for certain diseases such as heart disease, diabetes & cancer.

"Mangosteen provides powerful support for every organ system in the human body.

I am convinced that Mangosteen will, without a doubt, be the most successful food supplement ever."

- J. Frederic Templeman, M.D.
